uOttawa

This form must accompany your Registration form. It is used to identify courses that are not listed as part of the regular or minimum requirements of your program

STUDENT'S NAME	STUDENT NO.
ACADEMIC UNIT	PROGRAM

SESSION (√) 20___ - 20___				COURSE CODE	ATTENDANCE CRE*, ADD, AUD	Signature of the Professor teaching the course
MAY-AUG	JUL-AUG	SEPT-DEC	JAN-APR			

Course for **CREDIT** (CRE)
Course not specified in the calendar as part of the program requirements but identified by the academic unit as equivalent to an elective course. *Please complete the right-hand column*. A failure in such a course will count as a failure in the program. For compulsory courses please contact your academic unit, which must submit the update of record form on your behalf to the FGPS Admissions office.

ADDITIONAL course in program (ADD)
Course that would help in the field of research or reinforce knowledge in program. This course is added to the minimum requirements of the program and cannot be credited towards another program. A failure in such a course will count as a failure in the program. The course becomes a compulsory course and must be completed to satisfy the requirements of the program.

Course as **AUDITOR** (AUD)
No credits will be granted for such a course which will receive an "AUD" notation on the transcript. The course should be related to the program of study.

This course counts towards the student's program.
